

RESOLUTION NO. 06-10

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LOS ALTOS
ENDORING MEASURE C – FOOTHILL/DE ANZA COMMUNITY COLLEGE DISTRICT BOND
FOR REPAIRS AND JOB TRAINING

WHEREAS, the City of Los Altos is in the district served by Foothill College and De Anza College;
and

WHEREAS, more than one million students have attended the Foothill-De Anza Community College
District since its founding; and

WHEREAS, despite ongoing maintenance and facility improvements, aging college facilities are unable to
accommodate classes and training that students need and the job market demands because our local community
colleges were built in 1957 and 1967 for 8,000 students, but now serve more than 44,000 students; and

WHEREAS, the student population seeking higher education will continue to grow in the years ahead; and

WHEREAS, many classrooms on the Foothill and De Anza campuses do not meet current earthquake safety
standards and many science labs have not been modernized since they were built almost a half-century ago; and

WHEREAS, Measure C contains provisions for strict fiscal accountability and citizen oversight and provides
that no funds can be used for administrators salaries; and

WHEREAS, if approved by 55 percent of the voters, Measure C would generate \$490.8 million of
improvement project funds to be spent in the Foothill-De Anza Community College District within Santa Clara
County, and

WHEREAS, this City Council supports the students of Los Altos and our neighboring cities and desires to
enhance their opportunity to enter higher education and receive an excellent education at Foothill College and De
Anza College; and

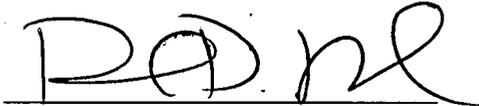

WHEREAS, this Board has determined to endorse Measure C to ensure safe and upgraded classrooms at
Foothill College and De Anza College,

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Los Altos as follows:

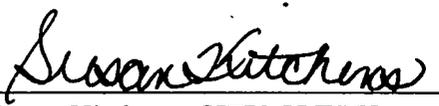

1. That the Los Altos City Council supports the passage of Measure C on the June 6, 2006 ballot
