

## Combo Back Water Valve (BWV) with Relief Valve (RV) outlets

Backwater valve and combo cleanout/relief valve shall be protected and serviceable in Christy box or yard box. Cleanout shall be labeled to indicate "backwater valve downstream" per C.P.C. 710.1

Los Altos Municipal Code: Sec.12.12.020

All new, repaired, or altered building sewers shall be protected from backflow of sewage by installing an accessible backwater and relief valve. Building sewers shall have a relief valve installed **upstream** of the backwater valve outside the building in close proximity to the foundation. Cleanouts shall be labeled "backwater valve downstream".
