Kayak to the Eagles

We have led this trip for many years and it is always a success! About 2 hours south of the Bay Area, Lake San Antonio is a quiet wintering spot for Bald and Golden Eagles. These birds' migrant in and share the lake with large numbers of ducks, White Pelicans, Canada Geese and Western Grebes. The shoreline is covered in a forest of oaks and is perfect for a wintertime picnic. A bit of a drive from the south bay, this trip is a wonderful wildlife adventure off the beaten track. Bring your binoculars and watch the eagles!
