BACKGROUND

The Los Altos School District (LASD) Citizens' Advisory Committee for Finance (CACF) oversees long-term financial issues for LASD, monitors expenditures of parcel tax funds and makes recommendations to the LASD Board of Trustees. The City of Los Altos appoints one member to the CACF.

DISCUSSION

Historically, the City Council appointed a member of the Council to serve as the City's representative to the CACF. In recent years, the CACF meetings have conflicted with the regular meeting schedule of the City Council. As such, the Council has appointed a member of the community to serve on the CACF. This year, the meetings have been scheduled for the fourth Wednesday of each month.

In September 2011, Kitty Uhler was appointed to serve on the CACF until February 2015. Ms. Uhler has indicated an interest in serving for the remainder of the current school year, but is not interested in serving beyond that time frame. It is recommended that Ms. Uhler's term be extended through June 2015 as there is an advantage to maintaining a continuity of membership through the school year. Prior to June 2015, Council may consider options for appointment to the CACF.

FISCAL IMPACT
