Hi Jon,

I like Los Altos and I like your sculpture loan program.

I don't believe the fee is very attractive as having one of my bronzes outdoors for 2 years will require refinishing (costs about \$400) and considerable coordination time, delivery, etc.

Having said that... I'm game to participate as follows;

Please view the work on my website: [www.CaliforniaRustic.com](http://www.CaliforniaRustic.com)

and let me know if any of my pieces are suitable for your program. They are all currently available and I'll work with you on pedestal mounting, vandal resistance, etc. I am also a professional designer ([www.blesek.com](http://www.blesek.com)) and I work with the Getty Museum, SLO Museum of Art, National Park Service, UCLA and many other institutional clients. I have an easy going and gracious working style that makes work pleasant for my clients.

Kind Regards,

Jack Biesek

I didn't find that fact in the info.
