AGENDA ITEM # 1

TO: Public Arts Commission

FROM: Jon Maginot, Staff Liaison

SUBJECT: Receive information and announcements from City staff

DISCUSSION

At the June 12, 2016 City Council meeting, the Council approved two items related to the Public Arts Commission (PAC).

The first item was a recommendation from the PAC to install four sculptures within the City. Staff has reached out to the artists regarding installation and is working with them to schedule an installation. One of the pieces, *Siz*, is currently being exhibited at Filoli Gardens and will not be available until October.

The second item was the approval of the Capital Improvement Program (CIP). Included in the CIP are funds for the annual arts projects (\$10,000) and funds for an Arts Master Plan (\$50,000). Once funds are available at the beginning of the Fiscal Year, staff will begin drafting a Request for Proposals (RFP) to identify a consultant to draft a Master Plan. Staff anticipates further updates will be provided at future meetings.
